NEW PRESIDENT OF THE HEALTH BOARD

Dr. J. H. Raymond Took the Office Yesterday Afternoon.

DR. JAMES H. RAYMOND was yesterday elected president of the Board of Health to succeed E. C. Winston, who resigned the office. The election of Dr. Raymond was unanimous and there was a feeling manifested that the new head of the health affairs was a man of action and the interest of the public would be conserved. On Tuesday Dr. Raymond was commissioned by Governor Dole as a member of the Health Board.

Upon receiving his commission Dr. Raymond said that he was likely to be absent from Honolulu for several weeks at a time in the early part of the coming year, but he would serve upon the board nevertheless if the Governor would accept the condition. This was agreed to and Dr. Raymond took his seat with the rest of the members yesterday afternoon. He was warmly welcomed. When his name was mentioned toward the close of yesterday's business the young physi-

cian said that he would be out of the city after January 15 for four weeks. The board, however, thought a president pro tem could be appointed during his absence and his election took place.

In accepting the chair Dr. Raymond thanked the board for the honor conferred upon him. "As the duties of the president are thankless," said he, laughing, "I shall content myself with that appreciation of kindly feeling you have manifested toward me and I will do the best I can to be guided by your advice and do everything in my power to conserve the interests of the public."

The new President is a man of high standing in the medical profession both here and on the mainland, where he was an instructor in Rush College, Chicago. His knowledge of sanitation and the practical ideas on the subject will be of great benefit to the Health Department.

"Now on all the pleadings and proceedings had herein, it appearing that the allegations in the return to said writ are frivolous, impertinent and immaterial, and the cause shown therein is insufficient, it is ordered and adjudged that a peremptory writ be awarded this petitioner, and that he will recover his costs in this proceeding, taxed at \$15.50."

PNEUMONIA PREVENTED.

Among the tens of thousands who have used Chamberlain's Cough Remedy for colds and la grippe during the past few years, to our knowledge, not a single case has resulted in pneumonia. Thos. Whitfield & Co., 240 Wabash avenue, Chicago, one of the most prominent retail druggists in that city, in speaking of this says: "We recommend Chamberlain's Cough Remedy for la grippe in many cases, as it not only gives prompt and complete recovery, but also counteracts any tendency of la grippe to result in pneumonia."
